

Person Centered Planner Self-Directed Program Job Posting

PERSPECTIVES
CORPORATION

Desired Qualifications

- Experience in writing Person Centered Plans for people with intellectual or developmental disabilities
- Understanding the unique nature and strengths of each individual
- Understanding community resources, community organizations and other natural supports
- Facilitate community mapping to match community supports to the individual
- Facilitate pre-planning with the individual, his/her family and other allies
- Facilitate a 'planning event' that is respectful and positive
- Facilitate the development of personal profiles
- Develop personal plans that are community based and provide sufficient detail about how the plan will be implemented
- Facilitate a review of the plan at least quarterly

General Position Description

The Person Centered Planner is responsible for creating the Individual Support Plan using Person Centered Thinking and working with the individual and their chosen network of support. Plans are submitted to the Department of Behavioral Healthcare, Developmental Disabilities and Hospitals (BHDDH). Person Centered Planners are contracted with the Sole Proprietors through the Self-Directed Program. Perspectives employees are not eligible to apply.

To Apply:

Submit a letter of intent, resume, employment references and a sample ISP/Person Centered Plan to the Self-Directed Program, 1130 Ten Rod Road, Building B, Suite 101, North Kingstown, RI 02852.
