

# PERSPECTIVES

C O R P O R A T I O N

## Internships at Perspectives

As you take steps to further your education in human services, a hands-on work experience to supplement your learning becomes invaluable. These paid, flexible, part-time internships are a wonderful way to get started in your career while you study.

### Home-Based Therapeutic Services (HBTS)

Our Home-Based Therapeutic Services (HBTS), which provides in-home support to children with special healthcare needs, is a great place to gain valuable experience.

#### HBTS programs include:

##### Team 1: Behavioral Health

- Behavior Reduction
- Behavioral Intervention
- Activities of Daily Living
- Social, Communication and Coping Skills

##### Team 2: Deaf and Hard of Hearing

- Communication
- American Sign Language Training
- Behavior Reduction
- Activities of Daily Living
- Social Skills and Coping Strategies

##### Team 5: Early Intensive Behavioral Intervention

- Applied Behavior Analysis (ABA Therapy)
- Language and Communication
- Activities of Daily Living
- Behavioral Intervention
- Data Collection
